

Medicinal Botanicals

Drawing from History

Materials List:

- A good quality sketchbook to be used throughout the project. Suggestions include brands Etchr or Hahnemühle with hot-pressed white watercolor paper. Or Stillman & Birn, zeta series. The size of the book is up to the student, but most plates are vertical in orientation.
- A selection of graphite pencils, including HB, any brand
- White kneaded eraser, Monozero eraser by Tombow,
- sharpener
- Micron pens, black or sepia, a range of tip sizes if you want to replicate the etching style of the plates
- Watercolors: your choice, suggest Daniel Smith set of 12 or 24
- Small porcelain palette with wells
- Brush: synthetic or sable watercolor with a pointy tip, such as Raphael 8408 or Da Vinci #4 longpoint Maestro series 35
